LETTER

Honorable Commissioner of Patents and Trademarks  
Washington, DC 20231

Sir:

On August 23, 2004, the undersigned attorney finalized his Request for Reconsideration, drafted in response to the Office Action mailed on April 22, 2004. After packaging the Request into a mailing envelope, he realized that the Certificate of Mailing on the Request incorrectly stated that the Request would be mailed to Mail Stop AF.

A new Request was generated, bearing a correct Certificate of Mailing. However, it is possible that the first Request was mistakenly mailed. Thus, two Requests for Reconsideration may be received by the PTO.

Both Requests are identical in content, except for the Mail Stop designation in the Certificate of Mailing. If two Requests are received, please discard the Request designating Mail Stop AF in the Certificate of Mailing.

Respectfully submitted,
